VET Network
VET Courses 2016
If you are considering a VET course in 2016 or would like to explore pathways in this area, please see Mrs Swain to discuss possible options.

First Aid Course
The units in this course describe the skills and knowledge required to provide a first aid response to a casualty. This includes life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance. These skills and knowledge may be applied in a range of situations, including community and workplace settings.
This course is offered as a 1 day practical training course which provides the participant with the knowledge and skills to confidently recognise and respond to an emergency situation requiring first aid.
Students will also be required to successfully complete an online workbook in their own time after the practical training day.

4Life:
Monday 28 September
Saturday 7 November
Course duration: 8 Hours (8.30am to 4.30pm)

**AUSTSWIM educators in aquatics**  
AUSTSWIM offers swimming and water safety teacher accreditation for those wishing to work in the Aquatics Industry. Students can enrol at 16 years of age and gain accreditation when they turn 17. This course aims to develop positive attitudes and competencies to teach swimming and water safety. The AUSTSWIM Certificate is an essential qualification in gaining employment as a swimming teach in Australia and overseas. For further information about the course please see Mrs Swain.

**Automotive Modern Apprenticeship Program 2016 Placements**  
Vantage Automotive Pty Ltd is a major provider of government funded vocational learning and outsourced services to major vehicle manufacturers with an extensive client list across Australia. Applications are now being sought from students that are interested in a career in the motor industry as an Automotive Technician or Parts Advisor. Both males and females from all over Australia are invited to apply for the an Automotive Modern Apprenticeship Program and if selected will be offered full time employment at a dealer close to their home and flown to either Sydney, Melbourne or Brisbane for block training. This is a funded program with minimal cost to the student. Positions are already available for the 2016 academic year, please see Mrs Capone or Mrs Swain for further details.

For details and further information on any of these courses please see Mrs Capone or Mrs Swain.
