VET Courses 2016

VET stands for Vocational Education and Training. VET courses are available to students while they are studying at school and enable them to experience industry training while they are still at school and begin their TAFE qualifications. There are courses available in areas such as child care, hospitality, hair and beauty and media industries. Other areas are also available. Students interested in applying for TAFE course in 2016 should see Mrs Swain to discuss their interests and possible courses.

Examples of 2016 Courses

Queensford College - Certificate III in Business

In this course, you will gain the fundamental business skills and knowledge to successfully perform a wide range of duties in a business setting across diverse industries. During the course you will have the opportunity to increase your skill in organisational tasks, maintaining financial records, designing and producing business and desktop documents, working effectively with diversity and maintaining business resources.
