Careers and Pathways Information 2015

VET Courses 2016
VET stands for Vocational Education and Training. VET courses are available to students while they are studying at school and enable them the opportunity to experience industry training while they are still at school and begin their TAFE qualifications. There are courses available in areas such as child care, hospitality, hair and beauty and media industries. Other areas are also available. Students interested in applying for TAFE course in 2016 should see Mrs Swain to discuss their interests and possible courses.
